Manual Release Valve

The Manual Release Valve is connected to the Co2 input of the Confetti Booster II. The other end of the valve is connected to a Co2 Hose, which is connected to a Co2 Bottle. When the valve is opened, the Confetti Booster II will shoot the Confetti.

Components

1. Blower
2. Angle Adjuster

3. Input CO2
Connect the Female connector of the Manual Release Valve to the male connector that is shown on the picture.
Connect the Male Connector of the manual release valve to a CO2 Hose, which is connected to a CO2 Bottle.

4. Adjusting Knob

CO₂

The Confetti Booster II can be connected with different types of gas bottles. With the 22,5kg bottle you can shoot up to 25kg of confetti or 60seconds. With the 37,5kg bottle you can shoot up to 40kg of confetti or 90seconds.

Accessories

The Confetti Booster II is provided with Co₂ through a hose that is connected to a gas cylinder.

The CO₂ hoses are for sale and rent in various lengths.

- 5m
- 10m
- 15m

CO₂ Hose

The CO₂ Hose supplies the Confetti Booster II with CO₂. Connect male plug to the CO₂ gas bottle. Connect the female plug to the CO₂ Jet.

Quick Connector

With the Quick connector a CO₂ hose can easily be connected to a CO₂ bottle. Screw the Black side of the Quick connector on to the CO₂ bottle. Plug the other side of the connector to the male side of the CO₂ hose.

Warranty

The Confetti Booster II has a 3 year warranty which will be void if the Confetti Booster II is handled differently than described in this manual.

The warranty is void when the Confetti Booster II has been opened by anyone other than the Confetti Maker.

The Confetti Maker is not responsible for any paint or hardware damaged as a result of rough handling.

CAUTION! Always contact your supplier in case of malfunctions.
Never try to repair the Confetti Booster II yourself.

WARNING

READ THIS DOCUMENT BEFORE INSTALLING OR USING THE CONFETTI BOOSTER II

IMPROPER SELECTION, IMPROPER USE, USE BY ANYONE OTHER THAN TRAINED USERS HAVING APPROPRIATE TECHNICAL EXPERTISE OF THE CONFETTI BOOSTER II CAN CAUSE DAMAGE TO EQUIPMENT OR PROPERTY.

This document and other information from the Confetti Booster II, its subsidiaries and authorized distributors together only provide product installation guidelines and product or system usage options, each of which are intended to operate in conjunction with further investigation by trained users having appropriate technical expertise to facilitate the safe handling and use of the Confetti Booster II. The Confetti Booster II is not intended to be used or handled by any users other than trained users having appropriate technical expertise. The information and documentation contained in our catalog and on the website, www.theconfettimaker.com, is only provided for technical illustration purposes only and may not be used or relied upon as a statement of suitability for use in any particular application. Users, through their own analysis and testing, are solely responsible for assuring that the Confetti Booster II is used in a safe and intended manner with all performance, endurance, maintenance, safety and warning requirements necessary for safe application being met.
